FIRING ON THE MILITIA

Ohio Soldiers Experiencing Realities of War.

CAMPED AT WHEELING CREEK.

Stray Shots Come From the Hills at Intervals, and in Some Cases It Has Been Returned—So Far as Known No Blood Has Been Shed—Peace Prevails at All the Other Mining Districts.

WHEELING, June 11.—The Ohio militia in camp at Wheeling Creek, three miles west of the river, were fired on by some persons in the hills at frequent intervals Saturday night, from midnight till morning, and in a few cases the sentinels returned the fire, but so far as known no bloodshed resulted.

Sunday morning strikers burned 144 feet of a wooden bridge at Goshen, west of Wheeling Creek. No coal could therefore be moved until the bridge was repaired. About 4 p. m., three double-header trains were sent west, composed in all of 42 cars. There was no effort to stop them.

At the camp of the West Virginia militia the day was a comparatively quiet one. The morning passed quietly until 11 o'clock, when a message from Moundsville told of a blockade by a number of miners above the town. Three companies of the First regiment left immediately. The obstructionists dispersed on the arrival of the troops, but one, Charles Davis, was arrested and brought to Wheeling charged with obstructing the United States mail. The crowd around the camp all day was large and at times disorderly, but no special trouble resulted.

Trestle Burned Near New Philadelphia.

CLEVELAND, June 11.—Saturday night two men, who had been placed on guard at a trestle on the Cleveland, Lorain and Wheeling railroad, near New Philadelphia, O., were driven away by a mob of about 400 men. The trestle, which was about 60 feet long, was set on fire and nearly destroyed. The railroad company expresses the fear that other bridges in that vicinity will be burned, and the sheriff of Tuscarawas county has sworn in a large number of deputy sheriffs to guard the property.

Two Soldiers Accidentally Injured.

GLENCOE, O., June 11.—Charles Hosler and Edward Smith of Canton, members of the Eighth regiment, were injured here Saturday afternoon. The men were on guard at the tracks when an engine passed, exploding a torpedo signal. Fragments of the shell penetrated Hosler's leg to a considerable depth. The injury is painful, but it is thought not dangerous. Smith's arm was somewhat scratched.

Recruiting Deputies.

TOLEDO, June 11.—Deputy Marshal Harmon received a telegram from United States Marshal Haskell of Cleveland last night instructing him to recruit and arm 50 deputies and have them ready for service. They are to be used in the coal strike difficulty, but no intimation has been given as to their probable destination.

NO TROUBLE IN ILLINOIS.

Soldiers on Duty at Several Places, but No Rioting Has Occurred.

SPRINGFIELD, Ill., June 11.—Governor Altgeld received a telegram from Colonel Bayle at Pana saying the First regiment had arrived there at 6:30 a. m. Everything was quiet and no trouble was at hand, the miners being overawed by the presence of so many troops. The governor says there is nothing new, and no more troops have been ordered out. The governor thinks the trouble at Pana will amount to nothing.

Train Fired Into.

TOLUCA, Ill., June 11.—Just before the Santa Fe passenger No. 5 arrived at Streator last evening some one fired a shot at the train. The ball went through a windowpane in the smoker and missed the newsboy only a few inches. The shot caused quite a panic among the passengers. It is supposed the shot was fired by striking coal miners.

AGREEMENT AT CRIPPLE CREEK.

Deputies to Retire and the Militia Will Make the Arrests.

CRIPPLE CREEK, Colo., June 11.—An agreement has just been made between Commissioner Boynton and Brigadier General Brooks whereby the deputy sheriffs now in camp on Bull Hill mountain will leave for Colorado Springs. Persons for whom warrants are out are to be taken in charge by the militia and turned over to the sheriff at the county seat.

A party of 15 deputies while approaching Bull Hill this morning on their way from camp to this place, were fired upon from ambush by 20 miners. The deputies being unprepared for battle, retreated without returning the fire. General Brooks called out enough militia to surround the miners and arrested them.

Strikers' Wives Resort to Rioting.

TRINIDAD, Colo., June 11.—At the 8 o'clock mines Saturday a party of women, wives of the strikers, stationed themselves at the opening to the mine and attempted by abusive language and throwing stones to prevent the men from going to work. A Mexican miner was dumped in the mud and pounded with stones. A man was with them urging them on. He was placed under arrest with two of the most vicious of the

women and lodged in jail. This ended the riot and there has been no trouble since.

Burning Bridges in Alabama.

BIRMINGHAM, Ala., June 11.—At an early hour Sunday morning a bridge on the Linton branch of the Louisville and Nashville railroad was burned. This is the third railroad bridge that has been burned within the past four days, and all the fires are supposed to have been of incendiary origin. Suspicion points to the striking miners. Yesterday morning on the Kansas City, Memphis and Birmingham railroad, near Adamsville, a bridge was fired but was discovered in time to prevent a train from running into it.

Peace in Indiana.

INDIANAPOLIS, June 11.—Governor Matthews received a call from Robert Stewart, a retired miner, and Dr. J. H. Harper of Shelby. They stated to the governor that he had been deceived as to the condition in Shelby, and that the transient miners having left there was no longer need of troops to control the 40 miners who live in Shelby. Governor Matthews promised to write to Judge Briggs and get his views as to the further need of the soldiers, but he stated distinctly they would not be withdrawn until the civil authorities showed themselves able and willing to keep down disorder.

PROSPECTS OF A SETTLEMENT.

The Columbus Conference May End the Strike by a Compromise.

COLUMBUS, O., June 11.—A settlement of the great coal strike now seems probable. Representatives of operators and miners of Ohio, Indiana, western Pennsylvania and eastern Illinois met here Saturday, and after frequent recesses, taken to give the scale committee an opportunity to perfect a schedule, adjourned at midnight until Monday, with every prospect that a settlement will have been reached by that time.

The scale committee, it is said, has practically agreed upon a basis of 60 cents for Ohio and 60 cents for western Pennsylvania. The miners struck for 70 cents for Ohio and 79 cents for western Pennsylvania.

The operators say this is the last conference they will hold with the miners, and if they want to come to terms this is their opportunity. H. D. Turney, a prominent Hocking valley operator, said an agreement would be reached before the conference finally adjourned, and several other operators expressed themselves the same way.

EXPLOSION OF A LAMP.

Two Buildings Badly Damaged and Several People Injured.

BROOKLYN, June 11.—An explosion occurred last night in the apartments of Jacob Segall, on the top floor of a 4-story double-brick flat house on South Third street. Segall was out visiting at the time, but his wife, mother and 2-year-old daughter were at home. The older Mrs. Segall was carrying a lamp when it exploded. The side of the building was blown out, and the wall tumbled over on the roof of a 2-story and basement house adjoining, occupied by William Lutz, his wife and four children. They were at supper in the basement when the roof fell in with a crash, demolishing the upper portion of the house and crushing in the parlor ceiling. The family were rescued.

An adjoining house caught fire and several persons were injured in jumping to the fire escape, others were badly burned and bruised. John Duane rescued the Segall family at the risk of his own life. He carried old Mrs. Segall down the rear fire escape, and then returned for her daughter-in-law and grandchild.

FOREST FIRES IN MICHIGAN.

One Town Completely Wiped Out, of Extent and Other Damage Done.

MARQUETTE, Mich., June 11.—Destructive forest fires are raging in the neighborhood of Nestora, 50 miles west of here. Two bridges on the South shore road near here were burned late yesterday, stopping traffic to Duluth, and a hard fight was necessary to protect the company's property at Nestora. The burning district covers an area of a mile wide and five miles long, and the destruction to timber must be enormous.

Similar big fires extend southward at intervals for many miles. Sagolla, a small lumbering village of 400 inhabitants, was completely wiped out Saturday night, and a freight train on the Milwaukee and Northern, passing through there, was set on fire and several cars burned.

Only the most meager reports can be received, as in many places wires are down and travel suspended entirely.

ROW AT A POLISH DANCE.

Two People Killed and Four Others Badly Wounded in Chicago.

CHICAGO, June 11.—A crowd of Poles and Bohemians became intoxicated at a dance at a ball at the corner of Forty-eighth and Good Speed streets last night, and about midnight when a party of 13 or 20 left the hall for their homes they became involved in a row with a number of people they met along the street. The result was that two were killed and four were seriously injured.

The dead are: Peter Getz, Pole, stabbed in the heart, and Frank Gluski, Pole, stabbed through the lung.

The injured are: John Jersea, stabbed in the neck and head; injuries serious; John Jersea, Jr., knife wound in the head; seriously hurt; Martha Jersea, aged 17, stabbed in face and head; injuries serious, and Frank Gluski, Jr., stabbed twice in head; may die.

CENTREVILLE, Md., June 11.—Margaret Nernome, a negro, aged 45 years, was frightened to death Saturday by being chased across a field by a bull. As soon as she got over a fence, she died of heart failure.

COKE TRUCE ENDED.

War Again Breaks Out in the Pennsylvania Region.

BATTLE FOUGHT ON SUNDAY.

One Striker Killed, Two Others Dying and Another Badly Wounded—The Battle Was Between Six Armed Deputies on One Side and a Mob of Strikers on the Other—Details of the Battle.

UNIONTOWN, Pa., June 11.—The truce is ended, and again the armed deputies in the coke regions have made a killing. One striker killed in his boots, two others dying and another shot through is the result of the battle yesterday at Levent. There were six deputies on one side and a mob of strikers on the other. Unbiased testimony is to the effect that the mob not only provoked but compelled the deputies to fire on them, after the strikers had compelled them to retreat, and had fired several shots at them.

The circumstances that led up to this latest of the many tragedies of the coke region were developing since Saturday afternoon. Four American workmen, John Delaney, Oliver Atteby, John Britt and James Furlough, who live at Leisnering, have been working at the Frick Coke company's valley works for some time. They came to New Haven Saturday afternoon, where they were to take the Leisnering electric road for home, where they have not been for a month. As soon as they alighted from the train at New Haven they were surrounded by a mob of several hundred strikers.

The strikers first beat the four workmen and then put tags on them bearing the inscription "blacklegs," also covering them with chalkmarks. They then marched their prisoners to all the works on the line from New Haven south, holding them up as decorated samples of "scabs" for the revilings and abuse everywhere. The four prisoners were subjected to all manner of insults and indignities, to such an extent that many of the more rational strikers protested that it was cruel and cowardly for so many men to assail four helpless fellows in that way.

The Frick Coke company was informed of the perilous position their workmen were in. Field Deputy Matt Allen and six men were sent to New Haven on the evening train. They were misled by false information, and it was daylight when the squad of tired deputies reached Lamont, where the fight took place. They had been joined by Superintendent Slater of the Leisnering plant, who had helped in the all-night hunt.

Not long after daylight the men began to assemble on the commons by the hundred. They engaged in the wildest demonstrations, and it is thought that they then had the four captives in their possession. When the deputies were discovered the mob raised a howl and surrounded them. Many of the strikers had revolvers, and all carried clubs. They moved against the deputies, who retreated under a shower of clubs and stones.

Riding up to the advancing crowd of miners, Deputy Allen told them to back, saying he did not want any trouble and that there would be trouble if he or his men were attacked and injured. The answer to Allen was a general yell, and one of the strikers covered him with his pistol and fired. The shot was a close shave for the top of Allen's head. The deputies opened fire together and the strikers stood to it and fought gamely. The first shots were fired by them, and they fired as coolly and as rapidly as did the deputies, and they kept closing in on the men who were using the Winchester until they were driven to the extreme end of the company's ground where they made a stand.

By that time three of the strikers were down and several others wounded. The strikers began at once to carry away their wounded. The dead man and two who were fatally wounded were left in the road where they fell. The number of wounded may not be known for several days, as they will be concealed where concealment is possible. Allen estimates that 30 or 60 shots were fired by both sides.

The two Slavs who were fatally shot can live but a short time. The names of the dead and wounded can't be learned as yet. Nobody but the strikers knew them, and they refused to tell who the men were or give any information of any kind under any circumstances.

Deputies, armed with search warrants, have been going through all the houses in the vicinity, but not a trace of the four men held as prisoners by the strikers has been seen, and it is feared that they have been murdered by the strikers in revenge for the loss of the men hurt in yesterday's battle. Twelve arrests have been made and at least 200 more will follow.

All over the south end of the region the old turbulent spirit is afloat, and it is noticeable that the lawless element is in the lead now and the conservative leaders and counselors are unheeded. If the affair does not precipitate another reign of terror in the coke region the signs are all wrong.

Village Fire Loss.

WEST BAY CITY, Mich., June 11.—Fire yesterday afternoon destroyed McLaughlin & Magill's office, linoleum, coalsheds and docks, the River View hotel and another building and badly damaged the Third street bridge and the steam barge W. P. Thew. Loss, \$50,000; partially insured.

Gambling Causes a Murder.

MADISON, Ind., June 11.—At Hanover, Ind., yesterday afternoon, George Snyder shot Phillip Stillman twice through the lungs, inflicting a fatal wound. The men had been gambling and quarreled. Both are married.

TWO FACTORIES BURNED.

Several People Badly Injured by Falling Walls.

KANSAS CITY, June 11.—About 5 o'clock yesterday afternoon fire was discovered in the third floor of the building owned and occupied by the Keystone Implement company, 1317 to 1321 West Thirteenth street. The fire had been burning quite a while before the department arrived on the spot, and the flames had gotten beyond control.

The burning building was a 4-story brick and was stocked with all sorts of farming implements as well as harness, etc. The firemen worked hard to confine the flames to the Keystone building, but the stock of paints and oils fed the flames which quickly communicated to the Buford and George Manufacturing company's building, 1311 to 1315 on the east. This firm also manufactures agricultural implements and their stock was a large one. The department fought the flames from all sides and succeeded in keeping the fire within the two structures named, but both building and contents were entirely destroyed, even the walls having fallen.

About 6 o'clock the west wall of the Keystone building fell and crashed in an adjoining frame dwelling occupied by Charles Piercey. The family had left their home and were thus saved from instant death. The brick house occupied by Jasper P. Hope was also crushed and Mr. Hope was severely injured.

James Donnelly of Hook and Ladder company No. 1 was also caught under the falling wall, and his injuries are serious. His pelvic bone was fractured and he was burned about the head.

Pat Ahern, another fireman, was slightly injured. William Radell suffered the dislocation of his collarbone and he was severely injured about the chest.

About 7:30 another part of the wall fell and James Marvin was injured about the hips.

The losses aggregate about \$310,000, divided as follows: Keystone Implement company, loss, \$130,000; insurance, \$50,000; Buford and George Manufacturing company, loss, \$180,000; insurance, \$80,000. The origin of the fire is unknown.

FLOOD DAMAGES IN KANSAS.

The Walnut River Out of Its Banks and Still Rising.

ELDORADO, Kan., June 11.—The rain of Saturday night was the heaviest this county has had for 25 years and as a consequence the entire Walnut valley is entirely covered with water and considerable damage to crops and property will result. The Walnut river commenced rising at 3 o'clock Sunday morning and by 7 had risen 20 feet and was out of its banks. It was a mile and a half wide in this city.

Several families were rescued in boats from Riverside, a suburban village. It is thought that no lives were lost. The Santa Fe and Missouri Pacific railroads have suffered considerably, having several bridges and considerable track washed out. A train came within two miles of here on the Missouri Pacific and the passengers were then brought here in boats. The electric light, gas and waterworks are all under water. It is raining again.

BILL DALTON'S BODY IDENTIFIED.

He Was the Leader of the Gang of Longview Bank Robbers.

ARDMORE, I. T., June 11.—Mrs. Dalton, wife of Bill Dalton, the notorious outlaw, has admitted that her late husband was the leader of the Longview bank robbery. The other members of the gang were Tom Littleton, Jim Wallace and Charles White, alias Jim Jones. Jim Wallace, who was shot and killed at Longview, is a brother of Houston Wallace, where Dalton was stopping when killed.

Charles Dalton, the eldest of the Dalton boys, arrived here yesterday and identified the remains as those of Bill. Officers of the Longview bank also identified Dalton as the man who presented the letter of introduction to the cashier.

Deputy Stewart has arrested Mrs. Dalton on the charge of receiving stolen property.

INTO A LION'S DEN.

Miss Beatrice Badly Bitten by the Big African Lion, Nero.

CONEY ISLAND, N. Y., June 11.—The 19-year-old girl, who is known as Miss Beatrice, and who is now in charge of the lions in the London zoo, at Coney Island, was badly bitten in the face by the big African lion, Nero, last night.

At the close of the performance, Miss Beatrice, as a final attraction, attempted to kiss the lion. He was quiet when she approached, but without the slightest warning snapped at her and sank his fangs into her cheeks. The girl's cheeks and tongue were badly torn, but she did not show any excitement, although many in the audience were considerably terrified. She struck the lion on the head with her whip and then slowly backed out of the cage. The physician who attended her found that her wounds were quite serious.

LYNCHING IN LOUISIANA.

An Industrious Colored Man Whipped to Death in Broad Daylight.

NEW ORLEANS, June 11.—Mark Jacobs, an honorable, industrious colored farmer, was taken from his field in the southern portion of the parish of Bienville, La., in broad daylight by a crowd of white men, carried into the woods, blindfolded and beaten so terribly that he died from the effects.

Josh Brown, P. M. Brown, J. S. Bryant, D. X. Neat and John Carter have been arrested, and the sheriff's posse is after others who are thought to be implicated. The good citizens are very much stirred up over the affair, and everything will be done to bring the guilty to justice.

TARIFF ON WOOLENS.

It Will Be the Next Stoppage in the Senate.

DEBATE BEGINS THIS WEEK.

Democratic Leaders Anxious to Hasten a Vote and Night Sessions May Be Held. The House Members Will Make an Effort to Dispose of the Last of the Appropriation Bills.

WASHINGTON, June 11.—It is expected on both sides of the senate chamber that the woolen schedule will be reached during the present week, in the consideration of the tariff bill. There is a tacit agreement among the Republican and Democratic leaders that the debate shall be continued under the five minute rule on the wines, cotton manufactures and flax schedule.

Senator Aldrich, as the representative of the Republican side of the chamber, expressed the opinion that these schedules would be disposed of with very little delay. He said that the understanding for five minute speeches would not be continued when the woolen schedule would be reached, and he expressed the opinion that three or four days' debate would be necessary before the wool and woolen schedule is acted upon. Some of the Democratic leaders think the schedule may be disposed of in two days.

This schedule will develop one of the most important debates connected with the bill. Next to the duty on sugar free wool has attracted more attention than any other item in the bill, and there can be no doubt that many Republican senators will make speeches vigorously assailing the Democratic position.

The Democrats, while not expecting or hoping to secure consideration of this schedule under the five minute rule, are nevertheless hopeful that they can make an arrangement for the fixing of a definite number of days for the debate. It is understood this is one end they have in view and arranging the preliminaries for night sessions, as they have been doing in securing pledges of Democratic senators to remain until the steering committee shall consent to adjournment each day.

This is to be an elastic arrangement and late night sessions will be resorted to only in case of evident determination on the part of Republican senators to delay a vote. This is not expected on any of the items, which precede the woolen schedule, nor do many senators think it will be undertaken in that connection.

The Democratic leaders, however, regard it best to be prepared to meet the emergency if it should present itself. They desire also, if it should prove that there ought to be an unexpected number of long speeches on the woolen schedule, to work them off as rapidly as possible by resorting to night sessions for that purpose.

"We do not," said Senator Harris, "want to impose any unnecessary hardships, but we want to make an impression on the bill during the week."

Program of the House.

WASHINGTON, June 11.—The Indian question, in its various ramifications on schools, agents, rations and supply depots, will continue to occupy the attention of the house the early days of this week. Judge Holman, in charge of the bill, said that he expected to pass the bill by Tuesday night or not later than Wednesday.

After that there are a number of important bills struggling for priority. The general deficiency bill will be reported to the house on Tuesday, and Chairman Sayers of the appropriation committee will urge its immediate consideration in order to clear the calendar of the appropriation bills. Representative Sayers will be in charge of the deficiency bill, notwithstanding the fact that Representative Breckinridge of Kentucky is chairman of the deficiency subcommittee.

It is expected that Representative Hatch will try to have the anti-option bill follow the Indian bill.

Representative Cooper of Indiana also expects to have a day set apart soon for his bill authorizing the taxation of greenbacks.

Representative Livingston of Georgia is pressing the bill for government aid to the cotton exposition in Atlanta.

Chairman Culberson of the judiciary committee also wants early recognition for several important bills affecting federal court procedure and the territorial statehood bills are being vigorously pressed toward the front.

No exact order of priority for these bills has yet been made, but they are the measures which are to receive the earliest attention.

Nail Mills Destroyed.

POTTSTOWN, Pa., June 11.—The extensive nail mill of Ellis & Lessig, in this city, was destroyed by fire yesterday. The flames originated from the gas producers of the furnaces and spread so rapidly that the mill was completely destroyed, and it was only by hard work that the adjoining buildings were saved. The loss will aggregate between \$80,000 and \$100,000, chiefly on the valuable nail making machinery that the mill contained. But partially insured. Six hundred hands will be temporarily thrown out of work.

Thrown Off an Electric Car.

MACON, June 11.—A serious accident occurred yesterday afternoon on the Macon and Indian Springs electric car line, about three miles north of the city. The uncontrollable speed of the car as it turned a sharp corner, threw out four persons 25 feet upon the rocks and all sustained serious, though not fatal, injuries. Lanier Hotel Clerk Clifton, Deputy Sheriff Smith and two negroes were the persons injured. They received bad cuts about the head

Fair weather; southerly or southwest winds.

We hardly think that Mason County Democrats can be used as cats' paws to drag Republican chestnuts out of the fire.

The Republicans will not maintain their present flourish any longer than it takes them to find out they can't hood-wink any Democrats.

All that is needed to quiet our Republican friends is for an old time "setting down" to be given them, such as Mason County Democrats know how to administer.

Democrats have a great deal more reason for being at "outs" with Republicans than they have with any member of their own party or any of its nominees.

"In vain the net is spread in the sight of any bird." The Republicans have set the trap, and it remains to be seen whether Democrats are to be lured to their own destruction.

Boyd County Republicans instructed for Roland C. Burns Saturday for Congress, Greenup indorsed Hon. W. J. Worthington, Judge Pugh was the choice of the Lewis County convention. A dark horse from Mason County may be the nominee of the Augusta convention.

The Ohio Republicans in their platform "demand such protection for sheep husbandry as will secure fair prices for wool." The Ohio Republicans should be more specific. What is "such protection for sheep husbandry as will secure fair prices for wool?" Where is it found and how is it got? Under the protection which the McKinley act gives sheep husbandry, as under all protection given by the Republicans to sheep husbandry, the prices for wool have been getting lower and lower, until they have reached their present beautifully "fair" figures.—Courier-Journal.

DEATH IS IN OUR MIDST.

Mrs. W. R. Cady Passed Away This Morning—Will Jenkins Answers the Final Summons—Others Called.

One of the saddest deaths that has occurred in Maysville for some time was that of Mrs. Fannie G. Cady, wife of Mr. W. R. Cady, this morning. It was about 5 o'clock when the final summons came, and her sweet young spirit left its earthly home for the haven of rest "just over the river."

For eight weeks she had been ill, but the hopes of loved ones who watched by her side finally gave away to despair, and it was realized some days since that the end could not be far off.

Deceased was a daughter of Mr. and Mrs. H. C. Smith, and was twenty years of age. Three years ago she was united in marriage to Mr. W. R. Cady, who, with a bright little two-year-old daughter that blessed their union, has the sympathy of the community in this sad bereavement.

Deceased had been a faithful member of the M. E. Church for years, and was a charter member of the Epworth League. The funeral arrangements have not been announced.

MRS. MARY A. PARKER.

Mrs. Mary A. Parker, mother of Captain Harvey Parker, died Friday evening at her home in Vanceburg. She was the widow of Seth Parker, and was in the seventy-eighth year of her age. The remains were interred Sunday at 1 p. m. at Mt. Tabor Cemetery, near Tollesboro.

MISS GRACE CAMPBELL.

A telegram was received this morning bringing the sad news of the death at Cincinnati last night of Miss Grace Campbell, daughter of Mr. T. C. Campbell, of this city, after a brief illness. The news was a shock to her relatives and friends. The family had not heard from her for a few days, and thought from this that she was improving. The funeral will occur to-morrow at 10 a. m. at the residence.

WILLIAM G. JENKINS.

Mr. William G. Jenkins, whose critical illness was recently mentioned, died Saturday night about 9:30 o'clock at the home of Mr. and Mrs. Wm. P. Smoot, on Bank street. Deceased was about twenty-five years of age.

Failing health compelled him to give up his business pursuits in this city a year or so ago, and he went to Colorado Springs and other points in the West in hopes of staying the progress of the disease, but to no avail. A few weeks since he returned to Maysville. His friends had little hope of his recovery. Day after day he grew weaker until Saturday night when he peacefully passed away.

Deceased was a young man of excellent character and bright promise. His father, William Jenkins, was a well known citizen of Maysville in his day. His mother, who is now Mrs. Thos. J. Pickett, and two brothers survive.

The remains were interred at the cemetery this morning at 10 o'clock, Rev. E. B. Cuke conducting the funeral services.

HENRY SLITZ.

Mr. John Henry Slitz died this morning at 3 o'clock at the family residence on Limestone street, of consumption. He was a son of the late George Slitz and was twenty-nine years of age. The funeral will occur to-morrow at 2 p. m. at the residence. Services by Rev. D. P. Holt.

Mrs. Lydia Strawder, aged seventy-nine, mother of George Strawder, the well-known colored barber, died Sunday at 9 a. m. Her funeral will occur Tuesday at 2 p. m. at Scott's Chapel, and will be conducted by Rev. A. McDade. She leaves two daughters and three sons.

HUNDREDS of CURES,

have caused the old fogey doctors of the State so much uneasiness that for the past two years they have been doing all in their power to stop his practice.

Shall the sick remain sick, and the suffering continue to suffer? Yes, says the general practitioner, rather than let Dr. Appleman help you. NO, says Dr. Appleman,

Come to Me and Be Cured if it is in My Power to do it.

John Whittington, 216 N. Walnut street, Maysville, says: "I have tried seven doctors and none have done me any good. I have not worked for six months. I am now able to work after one month of your treatment."

Mathews, Johnson, Clinger and Dawson Struck Too Strong a "Combine"

At the the G. O. P. Convention Saturday—Republicans Nominate a County Ticket.

The Republican convention Saturday afternoon was largely attended. The bitter contest between the various factions over the nominations for county offices had waxed warm for several days, and the enthusiastic friends and workers of the different aspirants were out in full force.

Democrats were on hand, too, in large numbers to see the fun.

At noon it was confidently claimed by friends of Prof. Johnson and Clarence Mathews that things were fixed and they would be nominated for Judge and Clerk. But these friends of the two didn't seem to realize what a strong "combine" they had tackled.

Promptly at 1:30 Executive Chairman Ort rapped for order and asked that the credentials from the precincts be sent to the desk. Several minutes were spent by Mr. Ort and his Honor, Mayor Cox, looking over the credentials. This was a rather novel move, politically, but nobody kicked, and it went.

The two gentlemen finally finished their inspection and Mr. Ort again rapped for order. On motion of Mayor Cox the Chair appointed a committee of five on credentials, as follows: Mayor Cox, J. I. Salisbury, J. W. Gregston, Richard Hopper and Dr. J. W. Gault. The Chairman in selecting this committee put one man, Mr. Hopper, on it who was not a delegate to the convention, but a few Democrats seemed to be the only ones in the house who were aware of the fact.

The committee finally reported all precincts represented and gave a list of the delegates. The report was adopted.

The Chair then called the precincts for the names of parties chosen as members of the Executive Committee. The list was as follows:

Maysville No. 1—W. H. Cox.
Maysville No. 2—N. Cooper.
Maysville No. 3—C. C. Hopper.
Maysville No. 4—J. J. Broese.
Maysville No. 5—W. E. Stallcup.
Maysville No. 6—O. P. Cox.
Plumtown—Jacob Wormald.
Dover—M. Dunham.
Minerva—J. W. Gregston.
Fern Leaf—
Germanantown—Milton McLean.
Murphysville—J. W. Gault.
Sardis—G. W. Dye.
West Mayslick—R. D. Weaver.
East Mayslick—B. F. Clift.
Howe's Tollgate—Thomas Forman.
Washington—W. W. Gault.
Helena—Wm. Ray.
Lewisburg—C. N. Bollinger.
Dieterich—G. N. Harding.
Plumville—C. C. Degman.
Orangeburg—Thad P. Bullock.

Finally, after all this business had been transacted, the Chairman of the Executive Committee called for nominations for permanent Chairman of the convention.

H. C. Sharp, Dr. Gault, Thos. Forman, Mayor Cox and Douglas P. Ort were placed in nomination, after which the nominations were closed. Mr. Ort withdrew. The vote resulted:

Cox.....20
Forman.....7
Sharp.....1
Gault.....9

Mr. Cox was declared elected and was conducted to the Chair by Dr. Gault, Captain Cooper and Thomas Graves, colored. Mr. Cox returned since thanks for the honor, but did not think it time for speech-making. They had work, and he proceeded to business.

Sam T. Hickman was elected Secretary by acclamation.

The convention, on motion of Judge Wadsworth, then proceeded to make nominations for county offices.

For Judge, some one placed Captian Hutchins in nomination. Dr. Gault followed with name of 'Squire John E. Wells, and Mr. G. W. Galbreath placed Prof. Milton Johnson before the convention in a speech eulogizing him very highly. The mention of Mr. Johnson's name was greeted with enthusiastic yells of applause. The vote resulted:

Hutchins.....21
Wells.....7
Johnson.....9

Captain Hutchins was declared the nominee.

For County Clerk, William D. Cochran and Clarence Mathews were placed in nomination. Judge Wadsworth paid a high tribute to Mr. Mathews in placing his name before the convention, saying he was a young man of splendid attainments and would scorn to enter any combine to win, and who belonged to a Republican family who had never yet asked any honor from the party. The applause that greeted the mention of Mr. Mathews' name was the most enthusiastic of the meeting.

Dr. Gault seconded the nomination of Mr. Cochran and paid a high tribute to

him and to the Cochran family. This was greeted with loud applause from Mr. Cochran's friends and admirers.

The vote resulted—
Cochran.....27
Mathews.....10
Mr. Cochran was declared the nominee. For County Attorney, George W. Adair was declared nominated by acclamation. Two votes were taken and there were several noes both times.

Thad F. Moore, of Dover, was nominated for Sheriff by acclamation.

J. David Dye was nominated for Assessor by acclamation.

For Jailor, John Johnson, of Murphysville, was placed in nomination. Mr. G. W. Galbreath and Dr. Gault both made speeches seconding this nomination. Mr. Galbreath said the Murphysville Republicans deserved something, and they asked this honor for Mr. Johnson.

Dr. Gault seemed to think that Mrs. Johnson had been placed in nomination instead of her husband and lauded her to the skies. He declared a better woman for a Jailor's wife couldn't be found in the county.

W. B. Dawson's name was withdrawn in favor of Mr. Johnson. Mr. Clinger next retired from the fight and Mr. Johnson was nominated by acclamation.

Roe Stockton for Coroner and Thad Bullock for Surveyor had a lead-pipe cinch and were nominated by acclamation.

This completed the county ticket.

Executive Chairman Ort again mounted the rostrum and proceeded to organize the convention again to select delegates to the Congressional convention at Augusta. He moved that "the present organization be made the permanent" which was done.

On motion of Colonel Bierbower a committee of one from each precinct was appointed to select said delegates. In appointing this committee the Chair got two parties on it who were not delegates to the county convention. Colonel Bierbower didn't learn of this until the committee was almost ready to report, and he then made a kick, declaring that his motion was to appoint the committee from the regular list of delegates. This dispute was finally settled by a motion calling on the committee to report.

They reported the following delegates:

Maysville No. 1—W. H. Cox.
Maysville No. 2—C. E. Gelsel, Wm. Miner, Tom Graves.
Maysville No. 3—A. M. J. Cochran.
Maysville No. 4—Joseph Crawford, J. W. Boyer, Abe Whaley.
Maysville No. 5—W. E. Stallcup, J. I. Salisbury, Henry Lee.
Maysville No. 6—G. W. Clinger, Polk Hicks.
Plumtown—Jacob Wormald.
Dover—Carey Devore.
Minerva—August Miller.
Fern Leaf—Hayes Thomas.
Germanantown—M. S. McLean.
Murphysville—G. W. Galbreath, Thos. Maher, Dr. J. W. Gault.
Sardis—B. G. Grigsby, G. W. Dye, J. H. Grigsby.
West Mayslick—Henry Thompson, R. S. Weaver.
East Mayslick—B. F. Clift.
Howe's Tollgate—Thomas Forman.
Washington—W. W. Gault, Dr. Hunter, Nat Laughorne.
Helena—William Ray.
Lewisburg—W. T. Berry, James Britton.
Dieterich—G. N. Harding.
Plumville—Scott Fletcher.
Orangeburg—D. G. Wilson.

Only thirty-seven delegates were reported and to complete the list of forty which the county is entitled to in the district meeting the committee asked the convention to select three delegates at large. R. G. Bullock, Robert Ficklin, R. C. Hopper, W. T. Fristoe, Ed. Belfry, J. R. Hunter, Captain M. C. Hutchins, Captain John E. Wells and Pat Sammons were placed in nomination. Mr. Bullock received 18 votes, Mr. Hunter 16, Mr. Wells and Mr. Sammons 12 each, Mr. Ficklin 10, 'Squire Belfry 10, Messrs. Fristoe and Hopper 8 each, and Captain Hutchins 6. Messrs. Bullock and Hunter were declared elected, and all the rest except Messrs. Wells and Sammons were dropped. On the next vote, Captain Wells won, the vote standing Wells 17, Sammons 16.

The names of the three delegates at large were then added to the list named by the committee, the report was adopted and the convention at 4 o'clock adjourned.

"SNAP SHOTS."

Mayor Cox made an excellent presiding officer.

Constable Dawson and Mr. Clinger caught on to the "combination" and retired from the Jailership contest.

When the Chair declared William D. Cochran the nominee for Clerk some one in the audience yelled, "Hurrah for Pearce!" and the yell was given by a Republican, too.

The enthusiastic cheers that greeted the mention of Milton Johnson's and Clarence Mathews' names showed very clearly that they were the choice of the crowd for Judge and Clerk respectively.

It was a tiresome convention, lasting from 1:30 to 4 o'clock. A big part of the crowd and the delegates from many of the precincts left the room long before the meeting adjourned.

The steamer M. P. Wells will not leave here for Augusta to-morrow morning until after the arrival of the L. and N. train, to accommodate the delegates from Fleming and Nicholas to the Republican Congressional convention.

RAILROAD STATION ROBBERED.

The Express Office Relieved of a Large Amount of Money.

LITTLE ROCK, June 11.—The railroad station and express office at Fort Gibson, I. T., were held up and robbed by two masked men about 11:30 Saturday night. The exact amount of money secured by the robbers is not known, but it will probably aggregate a large amount, as it is thought the express packages stolen contained large sums as a great deal of the cash paid to the Cherokee at Tahlequah has been shipped from Fort Gibson. It is known that \$600 in cash was secured, \$100 of which belonged to the Kansas and Arkansas Valley railroad.

Two masked men entered the station, and, at the point of Winchester, compelled H. S. Gibson, the railroad agent and express agent, to unlock the safe, threatening to blow his head off if he did not obey their command. After rifling the safe the robbers relieved the agent and night operator of their valuables, besides \$600 in cash, all the valuable express packages in the office and several watches and other jewelry.

Peck Bruner, the most noted and daring marshal in the territory, was in the vicinity of Fort Gibson and at once organized a posse and started on horseback in pursuit of the robbers.

This is the second time the station at Fort Gibson has been robbed in six months. The men who perpetrated the former robbery are now in jail in Fort Smith awaiting trial.

There is no clue to the perpetrators of Saturday night's robbery, but it was not wholly unexpected as it was known that the big Cherokee payment, now in progress at Tahlequah, would attract the tough element to that section. More trouble is expected before the payment is concluded.

FREIGHT TRAIN HELD UP.

After a Desperate Fight Two of the Desperadoes Are Captured.

PHILADELPHIA, June 11.—Four desperate thieves, armed with no weapons save lumps of coal, held up a Reading railroad freight train within the city limits at high noon yesterday. They were repulsed after a desperate fight with the crew of the train attacked and that of another following it, aided by the police. Two of the robbers were captured.

The hold-up occurred at the Cambria street crossing of the Reading road. The crew of the freight train, except the engineer and fireman, were sitting in the caboose during a temporary halt, when the door opened and in stalked four burly desperadoes, each of whom carried in his hands great chunks of anthracite coal. With threats of serious injury they compelled the frightened roadrunners to stand in one corner, under the guard of one of the thieves, while the others went forward to capture the engine.

Just then another freight train came up, the crew of which came to the assistance of the prisoners. The thieves retreated to a coalcar in front of the caboose and kept their pursuers off by hurling lumps of anthracite coal at them until two policemen came up. Then they broke and ran, but the officers caught James Longman and Frank Griffin and locked them up. The others got away. Longman is an old offender.

TRAIN PILED INTO A RIVER.

Fire Had Destroyed the Trestle and the Disaster Occurred.

WINNIPEG, June 11.—A bad accident occurred Saturday night to the west-bound express on the Canadian Pacific railroad, at the crossing of Mattawa river, about 15 miles east of Fort William. Fire had destroyed the trestle bridge, and when in the center of that structure it gave way. The engine and four cars were piled into the river. The driver, one of the first class cars and sleeper, remained on the track. The wrecked cars took fire and almost the entire train was burned.

Mrs. Barker was drowned. She was a first class passenger en route to Elkhorn, Man., from Ontario.

Express Messenger Mert Brown of Toronto is missing and is believed to be at the bottom of the river.

The injured are: Fireman Whitehead, may not recover; Engineer Elmes, slightly injured; Mrs. Dickie of Middleville, Mich., en route to Red Deer. Several others were slightly injured.

The train was running at a high rate of speed when the accident occurred.

All mail matter was burned as was also all express matter and baggage.

Whether for me, she spread the net,
With luring charms. This much I thought
The prize she'll hold, her snares have caught.

With eyes wide open, yet blinded, bold
I stepped within the entangling fold,
Nor barely fluttered when she came
The long expected prize to claim.

Ah! fickle dream within my breast,
My willing life I scarce confessed
And trembling asked my fate, when lo,
She coldly said, "I'll let you go."

I lingered near the fatal snare,
Hardly 'twixt hope and pride aware,
Whether 'twere better still to be
In love's duress, or fancy free.

But pride prevailed, and thus I spoke,
"Thanks, Siren, that thy charms are broke,
Nor shall I thou still my hope restrain,
For 'Richard is himself again.'"

KNOWLEDGE

Brings comfort and improvement and tends to personal enjoyment when rightly used. The many, who live better than others and enjoy life more, with less expenditure, by more promptly adapting the world's best products to the needs of physical being, will attest the value to health of the pure liquid laxative principles embraced in the remedy, Syrup of Figs.

Its excellence is due to its presenting in the form most acceptable and pleasant to the taste, the refreshing and truly beneficial properties of a perfect laxative; effectually cleansing the system, dispelling colds, headaches and fevers and permanently curing constipation. It has given satisfaction to millions and met with the approval of the medical profession, because it acts on the Kidneys, Liver and Bowels without weakening them and it is perfectly free from every objectionable substance.

Syrup of Figs is for sale by all druggists in 50c and \$1 bottles, but it is manufactured by the California Fig Syrup Co. only, whose name is printed on every package, also the name, Syrup of Figs, and being well informed, you will not accept any substitute if offered.
